

Fiber Optic Collimator Arrays

Ordering Information:

Use the following options to construct the part number:

- | | |
|---|---|
| 1 To be assigned by MEMS Optical based on customer supplied microlens specification. | 5 Select Cable Assembly Length
001-999 |
| 2 Select either single-mode or multimode
S = single-mode
M = multimode | 6 Select Unit of Measure
F = Feet
M = Meters |
| 3 Select Fiber Count
002-999 | |
| 4 Select Connector Type
15 = FCUPC
16 = FCAPC
25 = SCUPC
26 = SCAPC
35 = ST [®] compatible, UPC
40 = D4UPC
50 = MT | |
